

Route Description to the Ceramics Research Centre

Coming from Haarlem / Amsterdam / Utrecht / Schiphol Airport

- Take the A9 motorway towards Alkmaar
- At the Velsen junction take the IJmuiden / Beverwijk / Corus exit (A22)
- Immediately after the Velsertunnel take the exit to Beverwijk / Corus and follow the signs to Corus
- You go over two level crossings before you reach an intersection with traffic lights
- See "To the Ceramics Research Centre" for the rest of the route

Coming from Alkmaar

- Take the A9 motorway towards Haarlem
- At the Beverwijk junction take the Beverwijk / IJmuiden / Haarlem-Noord exit (A22)
- Then take the first exit, towards Corus
- Turn right at the end of the slip road and follow signs to Corus
- You go over two level crossings before you reach an intersection with traffic lights
- See "To the Ceramics Research Centre" for the rest of the route

To the Ceramics Research Centre

- Turn to the right at the intersection
- Before you reach the Rooswijk entrance turn left (before Haprotech building)
- Turn right at the T junction (Rooswijkweg)
- After approximately 200 meters you will see the Ceramics Research Centre buildings at your left
